COOL MOVES

Despite some Bay State beach closings, there were plenty of ways to stay cool yesterday. At left, Steve Topazio of Tiverton, R.I., created 'Moonlight Embrace' at the national sand-sculpting festival at Revere Beach. At top, paddlers compete in the Charles River Paddleboard Race. Above, Ryan Bean 17, is doused by Emily McCarthy at Sturbridge Village's 'Fire & Ice' event.
