**SHREWSBURY STUDENT CHOSEN FOR OLD STURBRIDGE VILLAGE BILLBOARDS**

*Shrewsbury resident Kristin Mulvey is having a slightly "larger than life" experience this summer. Mulvey, 18, was chosen by Old Sturbridge Village to be featured on its 14 feet by 48 feet highway billboards in Worcester on Interstate 290 and in Boston on Interstates 93. The giant photo of Mulvey shows her in 1830s costume holding one of the Village's heritage breed lambs. It was taken by Brookfield photographer John Ferrarone last year during her summer as an Old Sturbridge Village intern. Mulvey has plans to major in history this fall at Wheaton College. The billboards were designed by the Worcester office of advertising agency RDW Group Inc. Old Sturbridge Village celebrates New England life in the 1830s and is open daily 9:30 a.m. to 5 p.m., seven days a week. For details visit [www.osv.org](http://www.osv.org) or call 800-733-1830.*
